

## Objective

I am graduate student pursuing MS in computer science. Equipped with technical work experience and an equal zeal to pursue knowledge, I am looking forth for working as a RA or GA.

## Education

MIT College of Engineering, Pune, India  
B.E. Computer Engineering, May 2005  
Percentage: 68.26%

**GRE Scores:** Quantitative: 650/800 Verbal: 530/800 Analytical: 4.0/6.0

**TOEFL Scores:** 263 Essay: 5.5/6

## Technical Skills

Languages and Software	C, C++, HTML, J2EE, Core and Advanced Java, Visual Basic, ASP, 8085, 8086, 80386 assembly level languages, ATL COM
Operating Systems	UNIX (Linux, SunOS), Windows 98/2000/NT/XP
Configuration management	
Tools	CVS on windows and VSS.
Database	Oracle (as developer)
Others	UML (Unified Modeling Language), XML

## Project Work

Software Engineer: **Infosys Technologies Ltd, India** (Aug 2005 – April 2007)

- Work domain was Communication Service Providers (**Telecom domain**) and worked for a major service provider in US.
- Work nature required an expertise in **OSS/BSS** and a practical understanding of the **eTOM model**.
- Worked and was part of the **OMS (Order Management System)**.
- Developed automation tools for the project, **developed testing automation tool for the Integration testing team**.
- Worked on a tool that interacts with OMS, this web based system uses JSPs, servlets and XML.
- Received client appreciation for Release 2 of a module.

Trainee: **Cybage Software Pvt Ltd, India** (June 2004 – May 2005)

- Developed "**Network Printer Monitoring System**".
- Worked on Active Directory access, Print Server and network printing with windows 2000 server
- The system developed adhere all quality processes required by a CMM level 5 project.
- The system was appreciated by university examiner and awarded the best grade among 40 students (128/150 marks).

## Related Coursework

\* Design and Analysis of Algorithms \* Computer Networks \* Operating systems \* Project Planning and Management \* Multimedia Techniques \* Advance Computer Architecture \* Advanced UNIX Programming \* Compiler Constructions

## Extra Curricular Activities

- Editor and content manager for Tech Forum team newsletter at Infosys
- Designed a website for Association of Computer and IT Students (ACITS) during undergraduate studies
- Part of Editorial team for ACITS newsletter "InfoBytes"

## Other Activities

- Trekking regularly in the Himalayas and successfully completed the famous Trans Himalayan trek
- Studied and pursued Indian Classical Dance courses with distinction

## Volunteer Work

- NCC (National Cadet Corps) Volunteer (Jan 2004 – May 2005)
- Helped in organizing blood donation camps and made regular visits to cancer care center
