

## Curriculum Vitae

VISHAL ANAND

Mobile: 781-249-1030

E-mail: vanand@udel.edu

### Educational Qualification:

SL. No.	Education	Board/University	College	Year of Passing	% of Marks
1.	Bachelor of Engineering (Computer)	University of Pune	SVMEC, Nasik, India	2006 (July)	<b>72.6</b> <b>(1<sup>st</sup> class with distinction)</b> <b>Aggregate: 59.27</b>
2.	A.I.S.S.C.E (10+2)	C.B.S.E.	Vidya Bharati Chinmaya Vidyalaya, Jamshedpur, India	2000	<b>80.33</b>
3.	A.I.S.S.E (10th)	C.B.S.E	Vidya Bharati Chinmaya Vidyalaya, Jamshedpur, India	1998	<b>75.2</b>

### Experience:

- Worked as a Software Engineer with Infosys Technologies Limited since December 11, 2006 to May 30,2007.

### Technical Skills:

<b>Languages:</b>	C, C++, Java, VB 6.0, C#.NET, HTML.
<b>Databases:</b>	MS SQL SERVER, MICROSOFT ACCESS, ORACLE 9i
<b>Operating Systems:</b>	Linux, UNIX, Windows 2000 / NT / XP
<b>Protocol:</b>	TCP/IP, Asynchronous Transfer Mode (ATM)

### Project in B.E:

#### **Automated Collection System Using RFID ( Radio Frequency Identification )**

Toll tax collection is the basic aim of our project in which everything is automated and this is using RFID which is beginning up to show a lot of implementation in real time. There will be RFID tags in every vehicle and that will act like a SIM card in mobile so that it can be recharged and the amount will be automatically deducted wherever necessary. Every details of the vehicle will be stored in the tag. RFID reader is connected to a central server and which is connected to a web server so that details can also be accessed online.

This greatly reduces the complication of tax collection on highways or freeways and this is very feasible and efficient.

<b>Position:</b>	Project Leader
<b>No. of group members:</b>	4
<b>Programming Languages:</b>	VISUAL STUDIO, .NET, C#
<b>Hardware:</b>	RFID, microcontroller 8051
<b>Operating System:</b>	Windows 2000/XP
<b>My Role:</b>	Designing and Coding.

### Mini Project in pre-final year of B.E:

#### **Library Management**

Manage the database of the goods in the library and including the transaction and management of the library.

<b>Position:</b>	Project Leader
<b>No. of group members:</b>	2
<b>Programming Languages:</b>	VB 6.0
<b>Database:</b>	Microsoft access
<b>Operating System:</b>	Windows 2000/XP
<b>My Role:</b>	Designing and Coding.

### **B.E. Core Subjects:**

- C/C++
- Signals and Systems

### **Seminar:**

- Futuristic Reality

### **Areas of Interest:**

- Programming Language/Software Development
- Virtual Reality
- Research and Development

### **Achievements:**

- B.E. project displayed in the top 20 Microsoft National Project Exhibition held in Bangalore on 24th April 2006.
- Went on an International Students trip to Singapore in January 2006 to represent college at Nanyang Technological University, National University of Singapore.
- Won the award for the Best Student for the year 2005-06 in the S.V.M. Engineering College.
- Received the certificate of highest scorer in first year of B.E. in Civil, Mathematics and Applied Science.
- Presented a paper in the National Level Paper Presentation on "OBJECT ORIENTED PROGRAMMING LANGUAGE".

### **Personal Profile:**

Name:	Vishal Anand
Date Of Birth:	30 <sup>th</sup> September 1983
Languages Known:	English, Hindi
Nationality:	Indian
Address:	Towne Court ,121, Apt 2, Thorn La, Newark, De 19711
