

## Completion of PhD Preliminary Exam

You should fill Part A of this form before the Oral Exam for your research project. Take the form to the Oral Exam so that your committee can sign Part B after the exam. Attach a copy of your transcript and return the form to the Graduate Coordinator Teresa Louise in the CIS Office.

**Name of Student:** \_\_\_\_\_

**Part A – Course Component:** Fill in the five breadth courses that you wish to use for the course component of the Prelims Exam.

	Course Number	Semester & Year in which you took the course	Grade obtained
1. Theory (CISC 601 or 621)			
2. Systems & Networks (CISC 650, 662, 663, or 672)			
3. Software (CISC 640, 675, or 681)			
4. Information (CISC 636, 637, 642, 683, or 684)			
5. Fifth course from any of the above groups, or CISC 604 (can't use both 683 & 684)			

Calculate your average GPA in the above five courses: \_\_\_\_\_

If you received an Opt-out for any of the above courses, indicate that in the above table and attach the graduate committee approval. Opt-out courses are not included in the computation of the Prelims course GPA.

**Part B – Research Component:**      Date of Oral Examination: \_\_\_\_\_

	Please print name	Signature	Pass/Fail
Advisor			
Second committee member			

**Part C – GPC Certification:**

Result of Exam (Pass/Fail): \_\_\_\_\_      Date: \_\_\_\_\_

GPC Chair / Representative: \_\_\_\_\_
